2nd May - 29th August
Open Every Thursday 2pm–5pm
£4 entry includes teas

This cottage garden with oriental influences is two minutes walk from the beach and ten minutes walk from the unspoilt village of Sutton on Sea.

Slide open the Japanese gate to find secret paths, lanterns, a circular window in a curved wall, water lilies in pots and a gravel garden, vegetable garden and propagation area. Take the long drive to see the sea. Back in the garden, find a seat, enjoy the birds and bees. We face the challenges of heavy clay and salt laden winds but look for unusual plants not the humdrum for these conditions.
